

Dear Ladies and Gentlemen, dear friends of ceramic implants
Dear colleagues, dear ESCI members and partners

Especially in the world of ceramic implantology, only the facts should count!
Consequently, the **2nd European Congress for Ceramic Implant Dentistry**
will be held under the motto **"Facts about Ceramic Implants"**.

Individual experience provides confirmation: The advantages of ceramic implants
are becoming obvious in clinical use and patients' interest constantly increases.

In order to combine science with clinical experience, the ESCI, as the first
scientific and evidence-based professional society for ceramic implant dentistry,
is hosting the European Congress for Ceramic Implant Dentistry for the second
time at the magnificent Bocken Estate in Horgen near Zurich, Switzerland.

In this stylish setting, we are looking forward to high-level lectures, a lively
exchange of experiences and an intensive come together.
The program is unique in ceramic implantology - the scientific lectures
by internationally recognized experts as well as exciting workshops will provide
clinically relevant and long-lasting inspiration for all participants.

Let us surprise you! ... visit the
2nd European Congress for Ceramic Implant Dentistry!

We are looking forward to seeing you!

Dr. Jens Tartsch
President ESCI

PD Dr. Stefan Röhling
Vice President ESCI

Organisation/Contact

Date and times

Thu. 20. Oct. 2022 13:30 - 18:00 Pre Congress Workshops
Fri. 21. Oct. 2022 09:00 - 17:00 Scientific Program

Please note: this workshop will take place at Dentalpoint AG in Spreitenbach

The SOCIAL WELFARE

Let's escape from the daily grind!

Let's enjoy getting together again in person as well!

Not only for the high quality professional program, but for a friendly get-together and personal exchange the 2nd European Congress for Ceramic Implant Dentistry will be something special...

...because your personal well-being is very important to us!

The ESCI Gala Dinner

CHAPTER 1 BIOMATERIAL CERAMIC

Prof. Ronald E. Jung, CH

University of Zurich

Why talking about ceramic dental implants?

Prof. Michael Payer

Meduni of Graz

New clinical evidence

Prof. Ralf Kohal, GER

University of Freiburg

Stability of ceramic implants

PD Dr. Stefan Röhling, GER

privat clinic Munic, University of Basle

Evidence with ceramic implants – an overview

Prof. Jérôme Chevalier, FRA

INSA Lyon

New materials and manufacturing methods

Prof. Bilal Al Nawas, GER

University of Mainz

Surface and hardware-enough evidence for daily routine?

CHAPTER 2 BIOLOGICAL ASPECTS

Prof. Owen Addison, UK

Kings College London

Metal accumulation in peri-implant sites?

Dr. Elisabeth Jacobi-Gresser, GER

private clinic Mainz

Immunology of titanium and zirconia implants

Prof. Michael Bornstein, CH

University of Basle

Update DVT – from sinus to ceramic implant

Prof. Mattias Pettersson, SWE

Umeå Universitet

Titanium release and the inflammatory response

Dr. Joseph Choukroun, FRA

private pain clinic Nice

Peri-implantitis is an immune disease?

Dr. Jens Tartsch, CH

private clinic Zurich

Chair and ESCI Projects

CHAPTER 3 CLINICAL ASPECTS

Prof. Marc Quirynen, BEL

University Hospitals Leuven

The clinical benefits of L-PRF in oral surgery

Dr. Frank Maier M.Sc., GER

privat clinic Tübingen

Hard- / soft tissue management around zirconia implant

Prof. André Chen, POR

privat clinic Lisbon

Digital workflow with zirconia implants

Dr. Rodrigo Beltrão, BRA

privat clinic Porto Alegre

Complex restoration with ceramic implants

Prof. Shahram Ghanaati, GER

University of Frankfurt a.M.

The open healing concept

PD Dr. Michael Gahlert, GER

privat clinic Munic, University of Basle

Esthetic single tooth replacement

Dr. Dan Hagi, CAN

privat clinic Toronto

Full arch rehabilitation with ceramic implants

Panel Discussion

all speakers

Ceramic implants in focus

ESCI AWARD

The ESCI offers young researchers and all ESCI members the unique opportunity to submit their abstracts and to present their research results and clinical cases at the short sessions.

Scientific short lecture`s

granted by Straumann Group

Member case presentation

granted by Zeramex

The best presentation in each category will be awarded with the ESCI Award.

ESCI GENERAL ASSEMBLY

All members of ESCI are invited to the Annual General Meeting. The board will present an overview of the current projects and disclose the accounts.
